Sir,

In returning the enclosures received with your No.2324 dated 19.12.11 I have the honor to forward copies of the sanctioned type plans for quarters for the Hospital Assistant and Midwife to be adopted at Yedatore and Malavalli with revised estimate for the same.

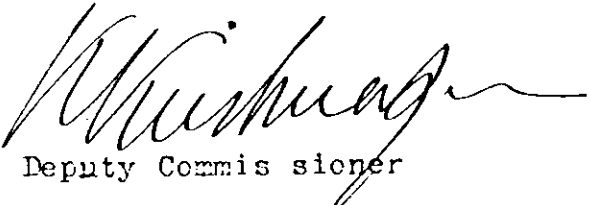

The buildings cannot be constructed at less cost, and I am not aware ~~on~~ what basis, the figures of 2,000 for the Hospital Assistant's quarters and Rs.1,000 for Midwife's quarters are based. Provision of Rs.300/- each for a well in each place are made, and also brick in chunam substituted for brick in mud estimated for in the type designs, which probably accounts for the large difference.
